## INFORMATION

### RECOMMENDATION

The Envision San Jose 2040 General Plan establishes a four-year review cycle, providing opportunity to evaluate the City's achievement of key goals and make mid-course adjustments to the General Plan. This work will be done through open, public meetings of the Envision San Jose 2040 Task Force and City Council. This year's Task Force is a reconvening of the previous members and organizations, representing a diversity of thought and perspective. Returning individuals/organizations are in bold. Availability of all individuals has been confirmed.
